●●●● Magical Meander

This walk takes you to the Magical Wood, perfect for families. See if you can spot the woodland characters along the way. Don't forget your picnic hampers as hidden in the Magical Wood is our enormous tree table.

A mixture of hard path and grass tracks that become muddy in winter (boots recommended). Includes a long gentle slope.

easy

2.4km / 1 1/2 miles
Allow 1hr

●●●● Wildlife Wander

This walk takes you through the various habitats at Heartwood, including ancient woodland, newly planted forest and wildflower meadows, and indicates some of the birds, butterflies and flowers you may see.

The walk begins on a hard path but takes you onto grass tracks that can become muddy in the winter (boots recommended). Includes a long gentle slope and kissing gates.

easy

4km / 2 1/2 miles
Allow 1 1/2 hr

●●●● Heartwood Hike

This walk is an extension of the Wildlife Wander trail and takes in just as many habitats but with the added benefit of walking through ancient Langley Wood, famous for its bluebell display, and beyond where we planted our first and last trees.

Most of this route is on grass and bridleways that can get muddy in winter. Includes short moderate slopes, kissing gates and steps into Langley Wood. Boots recommended.

easy

4.3km / 2 3/4 miles
Allow 1 1/2 hr
